Attn TransUnion Dispute Department:

I am sending you this dispute letter on behalf of my client listed above. The following accounts have a balance of \$0 with a late status. This is simply incorrect. If my client owes them no money and has no payments that are behind, then it is impossible for their current status to be listed as late. Please see below:

Data Furnisher	Account Number	Status	Balance
[REDACTED] JPM Chase [REDACTED]	[REDACTED] ****2242 [REDACTED]	[REDACTED] 120 Days Past Due [REDACTED]	[REDACTED] \$0 [REDACTED]

If this incorrect information is not removed or corrected from my client's credit report further action might be instituted under 15 U.S.C. § 1681. If necessary or required, we will obtain local and licensed counsel to aid in this matter. The data furnisher that we are disputing above has a lengthy history of FCRA violations, which can be proven by viewing PACER. Please let this serve notice that the information that they have in the past, as well as current credit data that they are providing you, is inaccurate and cannot be trusted. Please respond to this dispute by sending your investigation results to my law firm, McCarty & Raburn Law Firm, A Consumer Law Firm PLLC, 3000 Custer Road, Suite 270 #1501, Plano, TX 75075.

Sincerely,
